

Lighter, yet more
secure safe for
combined burglary
and fire protection

Sovereign Elite *(Grades 0 and 1)*

upto £10.000 cash protection

Since its inception, the NEW Sovereign Elite has maintained the innovative technology, unrivalled reliability and supreme flexibility that is associated with the Chubb safes Sovereign family of safes.

The NEW Sovereign Elite is made using the new hi-tech lightweight barrier material providing high level security and fire protection. Such product development means flexibility with handling of installations without sacrificing security.

The additional benefit of 60 minutes of certified fire protection for documents gives added peace of mind for high level security of sensitive paperwork. Customisation of the Sovereign Elite will allow additional fittings, alternative locks and provision for deposit options.

Tested and certified by the ECBS to European Standard EN1143-1.

Fire resistance

The Sovereign Elite has gained the EN1047-1 S60 paper standard and offers 60 minutes fire protection for documents.

Manufacture

Manufactured to an ISO9001 accredited quality assured process.

Locking

Supplied with a high security EN1300 approved class A keylock or class B S&G electronic lock. A wide variety of mechanical electronic, time and time delay locks can be fitted on special request.

Construction

Constructed using Chubb safes revolutionary new lightweight barrier material, Ensures higher levels of security and fire protection.

Boltwork

Three way engagement with 28mm moving bolts extending from 3 sides of the door that secure the door effectively into the body. The 3 way moving boltwork provides effective defence against attacks.

An active re-locker is integrated in the boltwork to provide additional security.

Base fixing

A steel bush is welded in the safe base to accept a Chubb-specified anchor bolt.

Cash rating

Naturally, the cash rating increases with the grade of Sovereign Elite. The recommended cash ratings are £6,000 (Grade 0) and £10,000 (Grade 1).

Jewellery Rating

The cash rating is multiplied by a factor of 10 for jewellery so a Sovereign Elite Grade 0 with a cash rating of £6,000 will allow for storing jewellery worth £60,000 in domestic situations. Always consult your Insurer for confirmation.
